Description: The Tobacco Prevention Settlement Program (TPSP) provides a variety of prevention, cessation and enforcement services to the community. Program goals are to prevent youth and all non-smokers from becoming tobacco users and to protect the public from the harmful effects of tobacco. Other program priorities include: helping smokers break their addiction to tobacco, limiting access of tobacco products to minors and creating awareness about marketing and promotional influences by the tobacco industries. Brochures and videos on tobacco-related topics are available to the public. A list of current program resources is available upon request. Program staff will provide in-service and training to health care providers and community agencies. TPSP also responds to community complaints or questions concerning tobacco-related laws, countywide. For more information about program services and funding opportunities, please contact the office.
